

## Unit & Family Readiness Officer's Welcome Aboard Letter

*Greetings and Salutations,*

*On behalf of MajGen Broadmeadow, I would like to take this opportunity to welcome you and/or your family to the Marine Corps Logistics Command (LOGCOM) family. My name is Salina McBride, your Unit & Family Readiness Officer. My team and I stand ready to assist you and/or your family in all areas of information, resource, referral, morale and readiness while attached to LOGCOM. We are here to help "connect the pieces".*

*As a military spouse myself, I know firsthand the challenges faced by the military lifestyle that we live; especially the recent PCS that you have just endured. Be confident in knowing that your Family Readiness Team is here as your "link" to the many support organizations/programs available to provide the tools necessary to maintain a high level of "family readiness".*

*When the dust settles, consider joining your LOGCOM family in a monthly "Spouses Meet and Greet". This is a great opportunity to meet other spouses, network and build stronger bonds in your new community.*

*In addition, I encourage you to become involved in the Family Readiness Team by volunteering. We are always looking for energetic, general and/or specialized volunteers that want to share their time and talent. Whether you have one hour to give or can devote an entire year, we "Want You"!*

*For more information on upcoming events, volunteering or to address any concerns you might have, please do not hesitate to contact our Family Readiness Team below.*

*In closing, we are happy you are a part of the LOGCOM family and look forward to seeing you and/or your family at an upcoming event.*

***Mrs. Salina P. McBride, AFC®***
