MARINE CORPS LOGISTICS BASE SCHOOL CHOICES

With the 2013-2014 school year just around the corner, I want to ensure that all military parents and children are aware of the school choices available to them while stationed at MCLB Albany.

~~~~~  
***Dougherty County School System*** – Effective with the 2013-2014 school year, children of active duty service members stationed at MCLB Albany have the option to attend the school of their choice. This applies to all active duty dependents who live in Dougherty County either on or off base. For on-base residents, the zoned schools are as follows: Radium Springs Elementary School, Radium Springs Middle Magnet School of the Arts and Dougherty Comprehensive High School. If an out of zone school is chosen, parents must provide transportation to and from school. Exception: Students who attend International Studies Elementary Charter School, Lincoln Elementary Magnet School or Robert Cross Middle Magnet School may receive transportation from any location in Dougherty County (as long as the residence is at least 1.5 miles from the assigned school). Parents may register students at the chosen school from 22 July – 31 July 2013. School begins on 5 August 2013.

***Worth County School System*** – Provides an opportunity for children of active duty service members who reside on base at MCLB Albany to attend its primary, elementary, middle and high school for grades K-12. A bus is provided by the school system to pick up and drop off students at no cost to families. School begins on 29 July 2013.

***Lee County School System*** – Provides an opportunity for children of active duty service member who reside on base at MCLB Albany to attend one of its primary, elementary and middle schools, and its high school for grades K-12 for a tuition fee of \$8.50 per day x 177 school days = \$1504.50 per student. Parents must provide transportation to and from school. Registration begins 17 July 2013. School begins on 09 August 2013.
