

LOGCOM HQ BBP Procedures

In accordance with BO 6260.3A, MARCORLOGCOM response to BBP exposure is as follows:

- a. Call the fire department at 911 from a land-line or (229) 639-5911 from a cell phone. **(Please clarify on the phone if it is an emergency or just an after action call for clean-up)**

- b. All confirmed or suspected exposures to a potentially infectious material (needle stick, splash, etc.) and all voluntary acts of first-aid or CPR assistance will be reported to the BPPM (639-5249/639-7049) before the end of the work shift during which the incident occurred. For incidents occurring after normal duty hours, contact the Officer-of-the-Day (639- 5206) who will contact the BPPM. Information in the report will include at a minimum:
 - (1) Names and positions of workers involved in the incident.
 - (2) Date, time, location and circumstances of incident.
 - (3) Route of exposure.

- c. A completed Report of Exposure Incident/First-Aid Assistance (attached), will be submitted to the BPPM within 24 hours of the incident.
