

Title: Commandant and Sergeant Major of the Marine Corps sequestration message

Team LOGCOM

The Commandant and Sergeant Major of the Marine Corps are continuing their promise to "keep the faith" with all Marines, whether active, retired or civilian, as the sequestration skirmish continues. As I receive their updates, this page will maintain links for you to view at your leisure for important information. You may view their first message by clicking the link at the end of this message. Everyone is vital to our mission, as the Commandant stated recently, "we are already past muscle and are cutting into bone." Rest assured, your Marine Corps leadership is actively engaged in protecting all of its valuable assets!
