PRODUCT/SERVICE DEFINITION**

As of: Monday, April 13, 2015 08:35

1. PRODUCT/SERVICE TITLE: The official name of the Product and Service
Information Technology Portfolio Management

3. LEAD ORGANIZATION: Name of the organization overseeing the Product and Service.
Logistics Capabilities Center (LCC)

6. DESCRIPTION: A detail description or definition of this Product and Service (it's function, purpose, reason for existence.)

Serves as Executive Agent for the MARCORLOGCOM'S Portfolio of Information Technology (IT) investment(s). Liaison for the Command with Program Managers (PMs) and Functional Area Managers (FAMs) throughout IT investment's life cycle. Facilitates Portfolio activities in support of IT Governance, to include validation of existing capability for new requirements. Prepares IT Investment Program Objectives Memorandum (POM) requests based on PM requirements. Oversees registration and maintenance of IT investment records in DoD IT Portfolio Repository-DoN (DITPR-DoN) and DoN Application Database Management System (DADMS), Architecture Compliance and Requirements Traceability (ACART); and Program Budget Information System for Information Technology (PBIS-IT) through coordination with PMs, FAMs, and Programs & Resources. Facilitate response to Portfolio Data Calls.
